SERIAL REQUEST FORM

Title: __________________________________________________________________________
(Please attach a sample copy or a critical review of the title, if possible)

Frequency: ____________        Price: __________________

Since limited funds and the need to maintain a balanced collection require that we add titles
selectively, we would appreciate the answers to the following questions:

How did you become aware of this publication?
________________________________________

________________________________________

Why is it important to the Albright Library collection? (E.g., support current course, needed to
provide new course support, etc.) ____________________ __________________________________

________________________________________

How do you plan to use this publication for your classes? (E.g., assigned readings, term papers,
library project will require use, supplementary source of information, ask students to look at
copies, etc.) __________________________________________________________________

______________________________________________________________________________

Do you see this publication cited in student bibliographies?
________________________________________

________________________________________

Please assign a rating (check one):

_____ Absolutely essential, even if other titles in this field will have to be canceled)

_____ Required to keep the collection adequate

_____ Would add strength to our collection

_____ Would be welcome if funds become available

Professor Name: ________________________________________________________________

Department: _____________________      Phone Number or extension: __________________

Do you wish to be notified if this title is acquired?       ______ Yes        ______ No

Please return this form to the Head of Collection Development (Rosemary Deegan)
Thank you for your interest in developing the Albright College Library collection!
